

Wright State Raiders Bowling

www.raidersbowling.com

Providing today's collegiate athlete with the tools for a successful tomorrow.

ABOUT OUR TEAM

In 2015-16, Wright State fielded 2 men's and 3 women's teams. Our women's program is continually ranked in the top 10 nationally and our men's program is set to return to the top 25 this season. In 2016, our women's team won a school record 6 tournaments, finished 2nd at Club Nationals and reached the USBC Collegiate Nationals as one of the final 16 teams in the country. Our men's team finished in the top 5 in five tournaments this past season and is set to make a run at returning to Nationals this season. We bowl in more competitions than the vast majority of collegiate programs, so there is plenty of opportunity to participate in the collegiate bowling experience.

WHAT WE ARE ABOUT

We recognize that our bowlers attend Wright State University as a student first and a bowling athlete second. Therefore, academics always come first. Learning to prioritize activities and making good life choices is an important part of the college maturation process. We strive to create a support network to aid academic success through relationships forged and experiences gained with the bowling program.

On the lanes, we strive to coach each bowler to reach his or her maximum ability. We compete at the highest collegiate level. The demands at this level require our student athletes to be at their best – both mentally and physically. We strive to teach all

aspects of the game to help our bowlers reach their personal best. The greatest compliment to us would be for our bowlers to become successful coaches using the knowledge they gained during their collegiate bowling experience at Wright State.

PRACTICES

We practice 2 or 3 days a week depending on if we have a tournament that upcoming weekend. We practice at three different locations (Beaver-Vu Bowl, Capri Lanes, and Woodman Lanes). All practices are conducted on sport shots.

WHERE WE BOWL

We bowl one of the most competitive schedules in the country. In 2015-16, Wright State bowled tournaments in Ohio, Indiana, Michigan, Illinois, Wisconsin, Pennsylvania, New Jersey, and Kansas. Our 2015-16 tournament participation is shown below to provide you with an idea of the frequency and location of tournaments.

TRAVEL

In general, if a tournament location is less than 3 hours by car, we caravan as a team. If more than 3 hours, we rent vans and travel as a team.

FUNDRAISING

Fundraising is an important activity to offset the expenses of entry fees and travel. Typical Fundraising activities include:

- Raider Classic
- Flat screen TV Raffle
- 50/50s at local bowling houses

2015-16 Tournaments
