

# Wright State Raiders Bowling

www.raidersbowling.com

Providing today's collegiate athlete with the tools for a successful tomorrow.

## ABOUT OUR TEAM

In 2016-17, Wright State fielded 3 men's and 2 women's teams. Our women's program is continually ranked in the Top 10 nationally and our men's program returned to the Top 20, finishing 16<sup>th</sup> in the final power rankings. In 2017, our women's team won a school record 8 tournaments and reached the USBC Collegiate Nationals as one of the final 16 teams in the country for the 7<sup>th</sup> time in the last 9 years. Our men's team finished third or higher in 7 tournaments this past season and is focused on returning to Nationals this season. We bowl in more competitions than the vast majority of collegiate programs, so there is plenty of opportunity to participate in the collegiate bowling experience.

## WHAT WE ARE ABOUT

We recognize that our bowlers attend Wright State University as a student first and a bowling athlete second. Therefore, academics always come first. Learning to prioritize activities and making good life choices is an important part of the college maturation process. We strive to create a support network to aid academic success through relationships forged and experiences gained with the bowling program.

On the lanes, we strive to coach each bowler to reach his or her maximum ability. We compete at the highest collegiate level. The demands at this level require our student athletes to be at their best – both mentally and physically. We strive to teach all

aspects of the game to help our bowlers reach their personal best. The greatest compliment to us would be for our bowlers to become successful coaches using the knowledge they gained during their collegiate bowling experience at Wright State.

## PRACTICES

We practice 2 or 3 nights a week at three different locations (Beaver-Vu Bowl, Capri Lanes, and Woodman Lanes). All practices are conducted on sport shots.

## WHERE WE BOWL

We bowl one of the most competitive schedules in the country. In 2016-17, Wright State bowled tournaments in Ohio, Indiana, Michigan, Illinois, Wisconsin, Pennsylvania, and Louisiana. Our 2017-18 tournament schedule is shown below to provide you with an idea of the frequency and location of tournaments.

## TRAVEL

In general, if a tournament location is less than 3 hours by car we caravan as a team. If more than 3 hours, we rent vans and travel as a team.

## FUNDRAISING

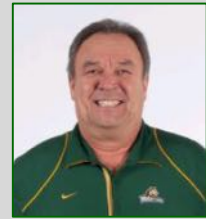

Fundraising is an important activity to offset the expenses of entry fees and travel. Typical Fundraising activities include:

- Raider Classic (our tournament)
- Raider Collegiate Challenge (HS tournament)
- Flat screen TV/Bowling Ball Raffle
